

Urban Pinnacle® Oak

Quercus macrocarpa 'JFS-KW3' PP 22815

Urban Pinnacle® is a bur oak like no other. Its unusually narrow and upright form (55' H x 25' W in 30 years) makes it a clear choice for landscape settings that call for a large shade tree with a slender profile. Petite acorns, about ½" in diameter, greatly reduce litter and add to its suitability for landscape and street use. Dark green, glossy foliage is resistant to both mildew and anthracnose and has attractive yellow fall color.
