

Cobblestone® Oak

Quercus macrocarpa 'JFS-KW14'

Zone: 3
Height: 55'
Spread: 45'
Shape: Broadly oval
Foliage: Dark green
Fall Color: Yellow

A traditional form of bur oak with the corkiest bark we have observed in the nursery. With bur oak's rugged form and unusually corky branches, it has an "ancient tree" look at a young age. The handsome foliage is dark green and the tree was selected for mildew and anthracnose resistance.
