

# Mesa Glow<sup>®</sup> Maple

*Acer grandidentatum* 'JFS-NuMex 3' PP 27930

**Zone:** 4  
**Height:** 28'  
**Spread:** 18'  
**Shape:** Upright oval  
**Foliage:** Dark green  
**Fall Color:** Orange red to red

Drought tolerance, cold hardiness and adaptability make this upright selection of the native bigtooth maple a top choice for the intermountain West. Glossy leaves and bold fall color distinguish this selection made by Rolston St. Hilaire of New Mexico State University.
