

Autumn Gold Ginkgo

Ginkgo biloba 'Autumn Gold'

Zone: 3
Height: 45'
Spread: 35'
Shape: Broadly pyramidal
Foliage: Medium green
Fall Color: Golden yellow
Fruit: Seedless

Named for its fan-shaped green leaves that turn to striking golden yellow in autumn, this fruitless male selection is narrow in youth and broadens with age. This air pollution-tolerant tree performs well in compacted and alkaline soils, and is highly resistant to insect feeding and disease.
