

Bali™ Hibiscus - First Editions®

Hibiscus syriacus 'Minfren'

FIRST
EDITIONS
SELECTED FOR SUCCESS

Zone: 5
Height: 12'
Spread: 8'
Shape: Rounded,
tree form
Foliage: Medium
to dark green
Flower: Semi-
double white,
purple-red center

Large, pure white, semi-double flowers flaunt ruffled edges and deep red centers. Blooming profusely from July through September, the tree form brings high-impact beauty to containers and small space gardens. Bred by Minier Nursery of France.
