

Ed Wood Fullmoon Maple

Acer japonicum 'Ed Wood #2'

Zone: 5
Height: 20'
Spread: 25'
Shape: Broadly upright spreading
Foliage: Green, large, deeply cut
Fall Color: Orange, yellow, and red

Excellent fall color, vigorous growth, and leaves much larger than those of the species are merits of this outstanding seedling of 'Acotifolium.' Selected by plantsman Ed Wood, its large, fan-like, cutleaf foliage and curving branches give a tropical feel to landscape plantings.
