

# Moonglow<sup>®</sup> Magnolia

*Magnolia virginiana* 'Jim Wilson'

**Zone:** 4b  
**Height:** 35'  
**Spread:** 18'  
**Shape:** Upright oval  
**Foliage:** Green, evergreen to semi-evergreen  
**Flower:** Creamy white, fragrant

This vigorous growing cultivar features a more upright form, greater cold hardiness, and evergreen foliage that becomes semi-evergreen in northern climates. Creamy white lemon-scented flowers arrive with the warm weather of late spring and continue into summer.
