

Oklahoma Redbud

Cercis texensis 'Oklahoma'

Zone: 6
Height: 20'
Spread: 25'
Shape: Upright spreading to rounded
Foliage: Glossy, thick, bright green
Fall Color: Yellow
Flower: Reddish-pink buds open to bright magenta-pink

Heat resistant foliage is deep green, bright and glossy. One of the most impressive redbuds in flower, it is more colorful than the species as its intense reddish pink buds open to a slightly brighter shade of magenta-pink.
