SELECTED FOR SUCCESS

Zone: 3
Height: 15'
Spread: 7'
Shape: Upright, narrow
Foliage: Green, rounded
Fall Color: Orange to red
Flower: White
Fruit: Edible, purple blue, 3/8"

Narrowly upright form of this North American native is a good fit for tight spaces and a good candidate for hedging. A profuse crop of small white flowers may be followed by small, edible, tasty fruits - if the birds don't beat you to it!
