

Red Sentinel™ Maple

Acer rubrum 'WW Warren'

Zone: 5
Height: 40'
Spread: 18'
Shape: Narrow, tightly fastigate
Foliage: Medium green
Fall Color: Bright red

True to its name, Red Sentinel™ presents the best and brightest combination of columnar form and fiery red fall color imaginable. A dominant central leader and dense branching form a narrow column of medium green, anthracnose resistant leaves that cast cool shade. Perfectly suited for street tree plantings, parks and tight urban spaces.
