

Prunus x yedoensis 'Akebono'

Akebono Cherry

Height: 25' | **Spread:** 25'

Zone: 5

Shape: Upright, spreading

Foliage: Medium green

Fall Color: Yellowish

Flower: Delicate pink

Clouds of airy pink blossoms crowd the upright spreading branches of this lovely flowering cherry. Blooms have a stronger pink tint than the better-known Yoshino Cherry, made famous by the historic plantings around Washington, DC's Tidal Basin.
