

*Acer saccharum* 'Commemoration'

## Commemoration® Maple

**Height:** 50' | **Spread:** 35'

**Zone:** 4

**Shape:** Oval to rounded

**Foliage:** Thick, dark green, glossy

**Fall Color:** Orange to orange-red

This rapid growing Sugar Maple has thick, heavy leaves that are resistant to leaf tatter. It branches well as a young tree and develops good caliper.

Trees are the Answer!
