

Hydrangea paniculata 'Renba' PP28509

Berry White® Hydrangea

Height: 10' | **Spread:** 8'

Zone: 3

Shape: Upright oval

Foliage: Green

Flower: White progressing to dark pink

The sturdy trunk and strong stems of these tree-form hydrangeas hold the cone-shaped blooms upright as they deliver an ever-changing parade of color from mid-summer into fall. Flowers emerge white and gradually deepen to pink and then dark pink as they mature.

Trees are the Answer!
