

Floating Clouds Japanese Maple

Acer palmatum 'Ukigumo'

Zone: 5

Height: 12'

Spread: 8'

Shape: Upright
oval

Foliage: Mottled
white, green &
pink variegation

Fall Color: Pinks
and reds

The striking white & pink variegation varies by location and time of year. At times the tree will appear to be almost white, looking like "floating clouds". Sometimes, it will be almost completely green. Pinks are more prominent on new growth in the spring and also during the fall along with shades of red.
