

Northern Empress® Elm

Ulmus davidiana 'Burgundy Glow'

Zone: 3
Height: 25'
Spread: 20'
Shape: Rounded crown
Foliage: Medium green
Fall Color: Orange, red

This very hardy Elm was introduced by North Dakota State University for its exceptional hardiness and attractive fall colors ranging from shades of orange to dark red. A good choice for urban landscapes especially in colder climates. Northern Empress® is also tolerant of higher pH soils than many other cultivars.
